

Halloween

Hooray! Halloween is almost here!

It is fun to dress up in

a costume and look different than

I do every day. People may

not know who I am. They

may ask,

"Who is this?"

or

"Who

is behind

that

mask?"

I

will

answer,

"It's

me!"

Hooray! Halloween is almost here!

I

will

go

trick-or-treating.

I

will

walk

up

to a

door

and

ring

the doorbell.

When

someone

opens

the

door

I

will

try

to

say,

"Trick-or-Treat!"

The

people

will

give

me

candy.

I

will

put

the

candy

in

my

Halloween

sack.

Everyone will be happy

when

I

say,

"Thank you!"

Happy

Halloween!"

Then

I

will

go

to the

next

house.

Hooray! Halloween is almost here!

We will have a party at school.

All the kids in my class

will have on costumes. I might

not know who they are.

I will probably see some scary

costumes. My friends are in the

scary costumes, and it is OK.

They will be scary only for Halloween.

I will see some silly

costumes. I can laugh at the

silly costumes. I might see some

beautiful costumes. I will tell

them that they look beautiful.

Some parents will be in

the classroom. They will help us

play games and have fun. We

will eat candy and cupcakes. All

of us will have fun at the

Halloween party!

Hooray! Halloween is almost here!
