

2019 Summer Programming

We are excited and proud to offer a number of programs to meet the needs of children from toddlers to high school seniors. Registration is limited on all programs, so call now to reserve your spot. Don't miss out on these incredible opportunities.

Teen Social Skills Group

This social skills group is designed specifically for teens. The purpose of our group is to practice expanding and building social skills in the areas of communication, problem solving, social media, friendship, fitting in, empathy and leadership skills.

Building Language Through

This program is designed for toddlers (2-3 years) and parents to learn to enhance communication through play. We will teach strategies to increase interaction through play and provide simple routines and games that can be easily incorporated in the home environment.

Intensive Motor Planning Program*

This intensive therapeutic intervention is designed for children with apraxia, suspected apraxia, motor planning speech disorders, or suspected motor planning speech disorders.

*This program can be billed to insurance

Reading Boot Camp

Intensive intervention for students having completed Kg thru 3rd grade. Individual, one on one tutoring practicing reading strategies to improve Accuracy, Fluency and Comprehension is available. Give your little reader a head start into the new school year!

Assistive Technology for Executive Functioning

Students currently enrolled or entering high school have the opportunity to participate in one hour sessions to get a jump start on how to use assistive technology to increase organization, work completion, and ultimately independence to start the new school year prepared and ready to make it a successful school year!

Social Skills Instruction for Kg-2nd grade Students

This social skills group is designed specifically for students entering kindergarten thru second grades. The purpose of this group is to learn skills to develop meaningful peer relationships.
