

# Assistive Technology for Executive Functioning

Students currently enrolled or entering high school have the opportunity to participate in one hour sessions to get a jump start on how to use assistive technology to increase organization, work completion, and ultimately independence to start the new school year prepared and ready to make it a successful school year!

Sessions will be held at Lakeshore Speech starting Monday, August 5th thru Thursday, August 8th from 9:30am-10:30am.

Sessions will be led by VernaAnn Kotansky, MA CCC/SLP, Assistive Technology Specialist

## Daily Topics

- **Day 1:** Technologies for time and file management.
- **Day 2:** Technologies to increase access to text. Text to speech, free digital texts, etc.
- **Day 3:** Technologies to increase production of written communication.
- **Day 4:** Technologies to increase organization and planning.

Each participant will need to bring their own laptop or tablet, as well as Google gmail account (school or personal). Each participant will need passwords to Google accounts/iTunes to add free extension and/or apps to device. Access to free wifi will be provided.

The cost of the group is \$175 for the week.

Additional individual sessions can be arranged upon request.

Please Contact Kelly Rigo to sign up (440)-471-7190.

Program is private pay only . Payment is due in full by the date of the first class for all programs. There will be no refunds for missed sessions. We reserve the right to cancel the class entirely should registration not meet minimum requirements.
